## The Original Boneless Wings

Yea, we invented them, but we don't like to brag. Hand cut fresh chicken breast pieces that are lightly breaded & deep fried then tossed in your favorite wing sauce & piled over french fries w/bleu cheese or ranch. The original is always the best.

## Tampa Bay's Best Wings

We start with the biggest fresh chicken wings we can find, cook them crispy in soy oil & douse them in sauces that might sound traditional, but are completely original. Go ahead order them breaded or not, tossed with your favorite sauce or no sauce at all - no matter how you order them, you're getting the best damn wings in Tampa Bay.
